

Dear students,

I hope you are healthy and you've finished all tasks so far.

Please do the tasks below in the following two weeks.

We're going to talk about all tasks in class. We're also going to repeat the tenses together.

Make sure that you know how to form them. You should be familiar with the signal words too.

We're going to read a novel together. Feel free to make suggestions in some weeks.

If you have any questions, contact me via email.

Stay healthy.

Best wishes,

N. Eckfelder
